## POLICY ENGAGEMENT

- At different times in my professional roles I have provided policy analysis, advice and training to various government organizations and stakeholder groups influencing policy, including the White House, HHS, CDC, the State Department, US state directors of health, the European Commission, WHO Europe, the government of Slovenia, and the US Army North American, European and African Commands.
- My publications have been used by FDA, WHO Europe and EU officials, and referenced in litigation between the government of Uruguay and Philip Morris International.

## OTHER MEDIA

- My research has featured in segments on CNN, CNBC, TRT World, Channel Four (UK), Al Jazeera, ITV (UK), BBC Radio Four, BBC World, Michigan Radio and Wisconsin Public Radio. My work has been referenced in over 100 media outlets, including The Belfast Telegraph, The Daily Mail, The New European, The Guardian, The Hill, Health Services Journal, The Huffington Post, The Independent, Politico, Reuters, The Scientist, and The Telegraph.

## FUNDING

### *External Grants*

- 2021-Present: Intergovernmental Personnel Act Agreement, US Army Corps of Engineers Engineer Research Development Center. (\$133,000 total).
